### COMPASSIONATE ASSISTANCE POLICY

When a deceased person qualifies for county assistance, The Catholic Cemeteries will provide a burial space at no cost and will accept the respective county's qualified amount as a credit toward the current cost of Lot Interment Service fee. The family of the deceased will be required to pay the difference between the cost of the service fee and the amount provided by the county. A family representative must come to the respective cemetery office prior to the burial to sign a purchase agreement and make whatever remaining payment is due.

#### **PLEASE NOTE:**

**Our fees include labor, material, equipment, and general cemetery overhead costs.**

**Special burial service requests must be made at the time of arrangement e.g. watch lowering/entombment, dirt and shovel needed, honor guard, or need for pallbearers.**

**The *Interment Policies and Procedures Manual* that has been provided to all funeral homes is a valuable resource about The Catholic Cemeteries interment related policies and procedures.**

**In accord with these policies, family members and/or funeral directors are prohibited from placing the cremated body of a second person in the casket or in the grave/crypt space without cemetery authorization and payment of an additional right of burial and additional burial recording fee.**
