THE
CATHOLIC
CEMETERIES

We've missed you!

The safety and security of our customers, team members and communities continues to be our top priority. We have enhanced our cemetery office experience to follow public health and social distancing guidelines. Here is what you can expect from us during your next visit:

- Enhanced cleaning procedures
- Clear protective barriers at office counters
- Continued social distancing and enhanced hygiene practices
- Options to schedule an appointment either in person or via Zoom with one of our Family Service Counselors

And to help protect you:

- Office personnel will wear masks; customers are required to wear masks as well
- Please sanitize your hands at the sanitizing station inside the office
- Floor distance markers will indicate social distancing efforts

Mausoleums are also open from 8:00am–4:30pm following CDC guidelines. Mausoleum restrooms remain closed.

Groups that gather for burials are limited to 30. Please continue to social distance and wear masks.

During this time we want to remind you that you can also continue to ask for grave locations and find many answers to your questions from the comfort of your home on our website: catholic-cemeteries.org
